

# Medicare for All

Medicare for All has now become a major focus in the public discussion. This single-session class will address:

- what it is;
- what it isn't;
- will debunk and discredit many of the deliberately misleading stories and myths circulated by the opponents of Medicare for All.

The MNA has been a supporter of Medicare for All for many years. Please come and get informed and ask questions that you may have about this critical issue impacting all Americans

The MNA Labor School will be sponsoring one-session evening classes in each of the MNA Regions to address these questions.

Classes will be 5:30 to 7:30 p.m. with a light meal at 5 p.m.

Region 1 – **Monday, October 28**

Region 2 – **Tuesday, November 12**

Region 3 – **Wednesday, November 6**

Region 4 – **Monday, October 21**

Region 5 – **Tuesday, October 22**

## Contact your regional office to register for this important class!
