

Transitions

for Senior Nursing Students

Welcome to the **Real** World

FREE
programs to
senior nursing
students and
nursing faculty.

These unique programs provide senior nursing students the opportunity to hear first-hand from recent graduate nurses what it is like to transition from the school environment to the world of professional nursing. We are pleased to announce that we will also have Don Anderson CMS, RN, MSN, Ed D, who is a leading NCLEX preparation expert and owner of Test Preparations Specialist as one of our key panelist.

What others have said about our programs:

- ★ *“The panelists were great, they gave me so many helpful suggestions on what to look for in an orientation program and how to prepare for my first position as an RN.”*
- ★ *“This program was great! I learned a tremendous amount of information on how to interview and what to look for in my first position as a nurse.”*
- ★ *“Thank you so much for such a wonderful program. It was a much-needed inspiration to hear from other nurses in the field—their struggles & what they learned.”*
- ★ *“I found this program to be very helpful & supportive. Many of my questions & fears were answered.”*

The Real Nursing World: Transition from Student to RN
