Clinical/Legal Issues of Impaired Practice

Description: This program will discuss the prevalence and risk factors for substance use in nursing. It will also discuss how MNA Bargaining Unit Leaders can assist nurses who are suspected of medication documentation issues and/or diversion. Carol Mallia from the MNA Division of Nursing/Peer Assistance Program will describe the Nursing Division's ability to assist in this process and review the BORN procedures. Attorney Mark Hickernell will review the legal issues and discuss trends in labor arbitration around documentation and diversion issues.
